

Declaration of Conformity

DESCRIPTION	
MODEL	

This declaration of conformity, certifies that the equipment delivered complies with the legislation in force, if it is used, and maintained in accordance with the enclosed instructions. Any different assembly or modification renders our certification void. It is therefore recommended that Key Plant Automation Limited be consulted about any possible modification. Failing that, the company which makes the modifications should issue their own certification. Should the latter occur, the new certification is not binding on us in anyway whatsoever.

This equipment complies with the following United Kingdom legislation.

The Supply of Machinery (Safety) Regulations 2008 (UK Machinery Regulations) - (European Directive: 2006/42/CE)
Electromagnetic Compatibility Regulations 2016 - (European Directive: 2014/30/EU)
